We are very happy to welcome **John Williams** back as Manager, and we look forward to growing and expanding under his guidance.

### FRIDAY NIGHT SOCIALS

BEYC will be a great destination for your Friday night fun! Each Friday night we will be offering a selected menu provided by **Ron Muise** of the Lakes Golf Club. Live music will be offered monthly, further details on our musical lineup will be sent out soon. **June 29<sup>th</sup>** will be the first of many great nights at BEYC, so come enjoy a delicious dinner and relax with an amazing view. Be sure to join us and bring along family and friends.

### LEARN to SAIL PROGRAM

We here at Ben Eoin Yacht Club are looking forward to Summer 2018. It will be the 3<sup>rd</sup> summer that we have been running our own, ever growing, Learn to Sail program.

For summer 2018 we have added a “Women’s Learn to Sail” which will have sessions on Monday and Wednesday evenings, along with a teen “sail evening” which will be held on Thursday evenings. We will also host our Junior Sailing Regatta on the weekend of the 22<sup>nd</sup> of July.

We are pleased to welcome back **Cody Fraser** as our lead instructor. Cody will be assisted by 1<sup>st</sup> year instructor, **Kierstin Ellerbrok**. We are very proud of the fact that Kierstin is our first “home grown”, certified instructor. Assisting Cody and Kierstin with the women’s program, will be **Joshua Ordonez**.

In order to grow our fleet and provide a greater service, we are now in the market for a daysailer keelboat, a boat similar to a “Bluejacket”. We are currently scouring the province for such a vessel.

**Registration for Learn to Sail is now open and can be accessed through checkclick at: <https://beneoinjrsailing.checkclick.com>**

## CLUB NEWS

The big project for BEYC this year will be the installation of our own "Travelift". This has been a huge undertaking but feedback from our members has supported the need for this important addition. Engineering work for the site has been completed and we hope to get the project started this spring.

Membership and berth renewals, as well applications for new memberships and berths are now available. Payment by cheque or cash can be made at the office.
